DETAILED ACTION

1. This office action is in response to amendment/reconsideration filed 8/15/03, the amendment/reconsideration has been considered. Claims 1-94 are pending for examination, the rejection cited as stated below.
2. The text of those sections of Title 35, U.S. Code § 102 (e) and 103 (a) not included in this action can be found in a prior Office Action.
3. Shirai and Holtz have been cited as prior arts in the last office action. The teachings that applicable are respectfully maintained and incorporated by reference as set forth in the last office action.
4. In response to the amendment and argument filed 8/18/03, the amendment has been entered. The arguments have been fully considered but they are not deemed to be persuasive. In the remarks, applicant argued in substance that the prior arts did not teach attaching access information, which indicatives any limitation on accessing the object. However, in the remark, also, applicant referred to the access information by way of example, which would not exclude other type of information, which were being used for accessing objects, from reading on the access information, as claimed. Shirai indicated object's accessing limitation by way of providing object's location, and an access list, which included list of users who had privilege to access the object (301g, Fig. 14; Col. 10, lines 48-60).
5. Accordingly, THIS ACTION IS MADE FINAL. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO

Art Unit: 2143

MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
